Andromeda

Andromeda is a premium chandelier by Jonas Bohlin. With its organic soft shape and ten softly rounded arms, the advanced handicraft and material skills of Örsjö are challenged.

White Structure RAL 9016

Red Structure RAL 3001

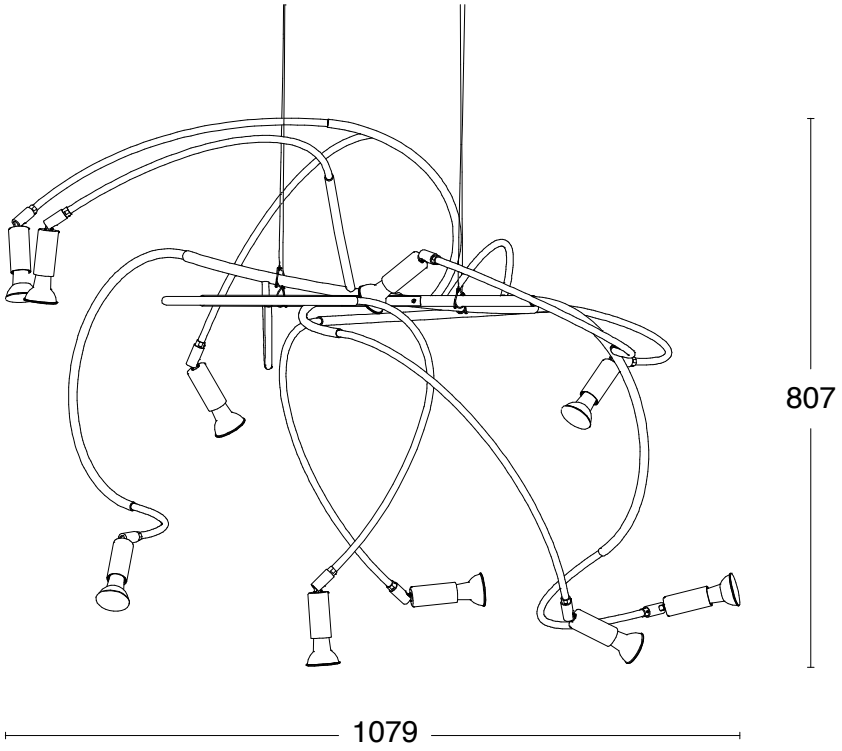
Olive Green Structure RAL 6003

Specifications

TECHNICAL SPECIFICATION

Designer	Jonas Bohlin
Electrical data	Class I IP20 230V
Description	Powder coated in three colours, with transparent cord and wire suspension for hanging in ceiling
Connection	6 m transparent cable, ceiling plug not included
Mounting	Wire suspension included
Lightsource	10 x LED E14 2700 K 350 lm CRI>90 , 10 x LED E14 2700K 470lm CRI>80
Socket	E14

Dimensions



Aria

Aria is an elegant modern series with a name that strikes the right note. Aria was originally designed for the Operakällaren restaurant in connection with a major renovation of the premises in 2005

Stainless Steel

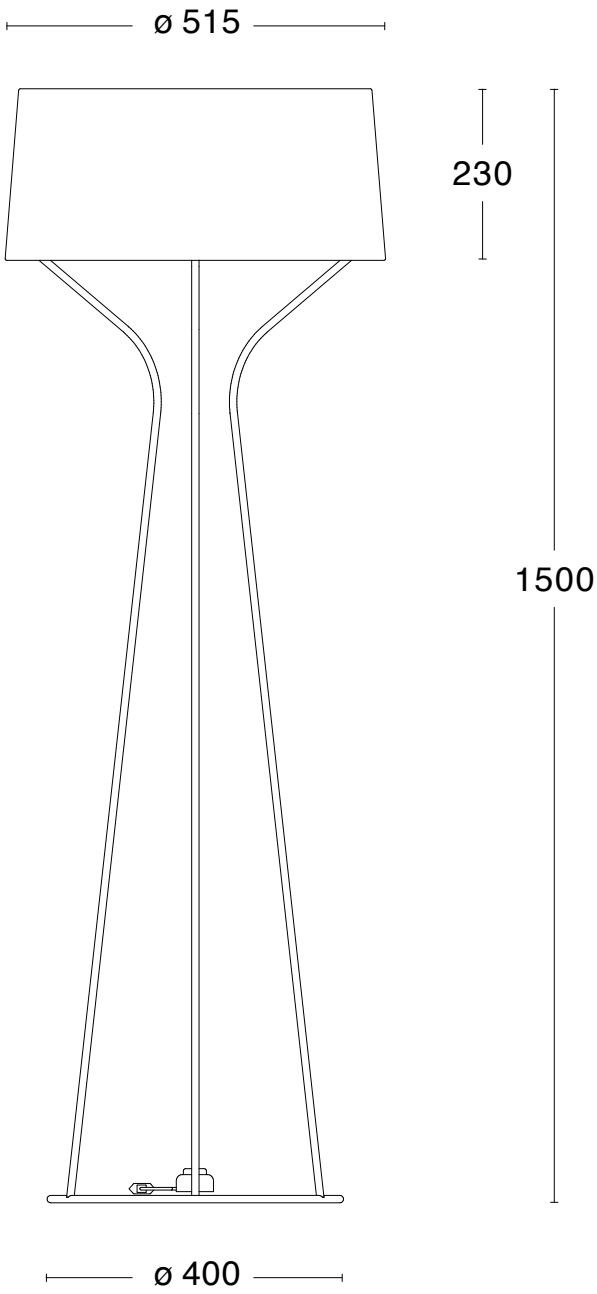
Black Enamel RAL9005

Specifications

TECHNICAL SPECIFICATION

Designer	Claesson Koivisto Rune
Electrical data	Class II IP20 230V
Description	Frame in stainless steel or powder coated in black. Upper and lower glare shield in blasted glass. Shade in mesh fabric.
Connection	2,5 m transparent cable, switch and plug included
Lightsource	1 x LED E27 2700K 806lm CRI>80
Socket	E27
Weight	9 kg
Volume	0.5 m^3

Dimensions



Boa

With the use of fine leather from local producers, Boa pendant has a strong character and fits in all types of spaces. Like the snake, Boa curls in and provides us with light. Boa is designed by architects Gert Wingårdh and Sara Helder.

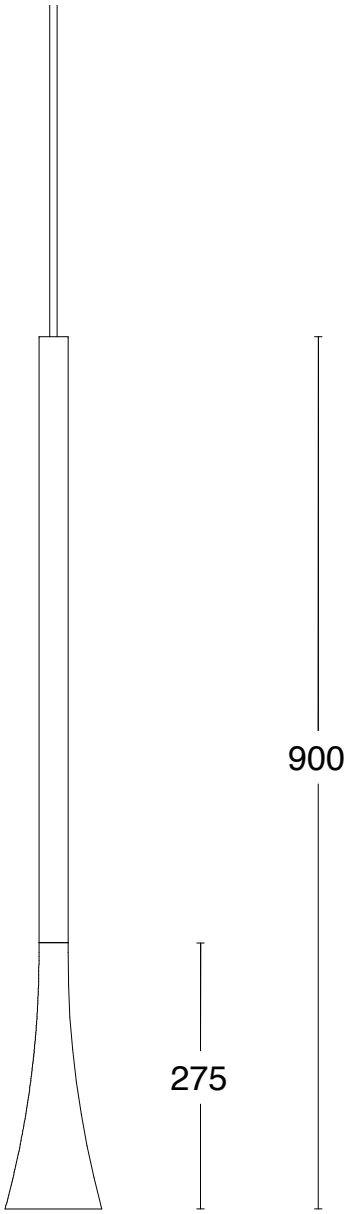
Black Leather

Specifications

TECHNICAL SPECIFICATION

Designer	Gert Wingårdh & Sara Helder
Electrical data	Class II IP20 230V
Description	Steel constuction covered with fine black leather. Copper inside of shade
Connection	2,5 m textile cord , ceiling plug not included
Mounting	Hook in ceiling
Lightsource	1 x LED GU10 2700K 350lm CRI>90 (Included)
Socket	GU10

Dimensions



Butler

The Swedish architect and designer Joel Karlsson found inspiration for his Butler series in the Victorian era, when little quirks and foibles of design that add character and charisma were the rule rather than the exception.

Plissé

Plissé White Edition is a textile table lamp that challenges the art of pleating. The lamp is designed by the duo Folkform and was recently awarded “Lighting of the Year 2022” by the magazine Residence, who called it “a sophisticated jewel of light that brings the somewhat neglected handcraft of pleating to the fore in a contemporary setting.”
